VLADIVOSTOK (Saturday), Feb. 9.—Omak reports state the Russian government there has accepted Japan's offer of men, money and arms to settle the Bolshevik difficulty. The step is due to the reports that the allies are planning to withdraw their Siberian forces. Also the fear that the Princes Islands conference may result in recognition of the Bolsheviks to return for this aid Japan is to secure iron and coal concessions to that district, the report stated.

EIGHT RIOTERS
SLAIN IN BERLIN
BY THE TROOPS

(By Associated Press)
BERLIN, Feb. 10.—Advices say a Spartacist disorder of a grave nature occurred Saturday evening in Berlin. It is reported that soldiers and sailors headed by former Chief of Police Eickhorn, occupied Alexander Platz. Government troops fired upon them. Forty persons were killed and eighty wounded. German censorship is withholding details.

(By Associated Press)
LONDON, Feb. 10.—A Berlin wire says order was restored Saturday evening after fighting between government troops and a mob which was only partly of Spartacist character. Six were killed and fourteen wounded.

WOODEN SHIPS
FOR SEA SCHOOLS

(By Associated Press)
WASHINGTON, Feb. 10.—The shipping board has decided to utilize six wooden ships built during the war in maintaining facilities to train merchant seamen. More than 35,000 have applied to take the course. The ships are planned to aid in a deep sea cruises curriculum. The board will release coastwise vessels used as training ships during the war, when the new vessels are ready but will retain the Iris at San Francisco.

THREE YEAR
NAVAL BILL
IS KILLED

(By Associated Press)
WASHINGTON, Feb. 10.—Points of order by Republican Leader Mann against the introductory paragraphs of the new three-year building program of the naval appropriation bill were sustained in the house. This action virtually eliminated the program. Leader Mann contended that legislation authorizing work for which no appropriation was made was not in order in an appropriation bill.

Chairman Padgett, of the naval committee, began a parliamentary skirmish to restore the program by inserting an appropriation to begin work on the proposed ships.

(By Associated Press)
TACOMA, Feb. 10.—In obedience to a central labor council decision to call off the sympathetic strike all union members returned to work today.

MEMORY OF ROOSEVELT
HONORED BY CONGRESS

(By Associated Press)
WASHINGTON, Feb. 10.—In solemn services within the house chamber yesterday the nation's leaders and representatives of foreign governments paid tribute to the memory of Theodore Roosevelt. Members of congress, supreme court justices, members of the cabinet, army and navy officers, and diplomats of many nations heard Senator Lodge, of Massachusetts, praise Roosevelt as a statesman and as a man.

Crowded galleries and the throng of men and women who could not gain admission testified to the personal feeling for the man whose death shocked the world. It was this to which Senator Lodge, a close friend of the man he eulogized, referred when he spoke these words in the stillness of the house chamber: "A tower is fallen, a star is set! Alas! Alas for 'Celtic'!" The words of lamentation from the old Moorish ballad, which in boyhood we used to recite, must, I think, have risen to many lips when the world was told that Theodore Roosevelt was dead. But whatever the phrase the thought was instant and everywhere. "Various expressed, you heard it

ATTEMPTED DELIVERY
AT BUTTE FRUSTRATED
BY DETOURING CARS

(By Associated Press)
CHICAGO, Feb. 10.—Fifty-four Industrial Workers of the World passed through Chicago today on a special train under guard to be deported by the immigration authorities. Forty came from Seattle, one from Spokane and one from Denver. Five alien convicts were arrested at Chicago. Foresight of federal officials only frustrated an attempted mob delivery as they had been warned that Burke and Helena leaders were massing to deliver their comrades. The authorities had the cars detached from the regular train and made a wide detour, missing both cities. When the regular train reached

SEATTLE, Feb. 10.—The strike committee resumed discussion today at the proposal to end the general strike. At the same time the strike showed increased signs of disintegration. Even some radical union men were reported to have admitted de-

PEACE MAKERS MAY GO
TO A NEUTRAL NATION

(By Associated Press)
PARIS, Feb. 10.—That the peace conference may consider moving to a neutral country if what is characterized as the obstructive policy of the French press and certain French officials continues developed today.

Committee reports clarifying certain passages in the ambiguous language in the plan for a Society of Nations were presented to the special commission on the formation of the society at today's meeting. The report enabled the commission to virtually complete its plan. This assures consideration of the plan at the plenary session of the peace conference before Wilson's departure.

NATIONAL STRIKE
HELD IN ABEYANCE

(By Associated Press)
NEW YORK, Feb. 10.—The threatened nationwide strike of holating engineers and bricklayers employed by the Building Trades Employers Association in sympathy with the carpenters' demands for a dollar a day increase did not materialize up to noon. President Dailu of the Bricklayers International Union, said that action will be taken today.

Butte the leaders were allowed to search. When they failed to find the prisoners they dispersed without trouble.

Local immigration officials said this was only the first of a series of deportations for undesirable. The forty-one anarchists and alien labor agitators sent from here last week by the immigration authorities, were picked up throughout the state and their departure was coincident and not connected with the general strike as they had been held under deportation warrants and the authority to send them to Ellis Island did not arrive until Thursday. One woman was in the party. Commissioner White said they all were foreigners whose activities during the war led to their arrest.
